Welcome to Mammoth!

Mammoth is a wonderful place to live as well as to visit. With the rare beauty of the mountains, lakes and streams, its hard to beat.

But it has something even better than that — its people — all 4,500 of them. We work together, play together and create things together, like the **Mammoth Lakes Jazz Jubilee**.

How many other towns and cities have 10 percent of their total population involved in a single event? Mammoth does!

As you may have noticed, we build a new city every year for the Jubilee; since we don't have any big hotels or convention facilities. Most people think that to put on a jazz festival you just hire some bands and have a place to play. Wrong! Thousands of "people" hours go into assembling and disassembling the sites. And, it is all done by volunteers, most of whom had never seen a jazz festival before 1989, when Elliott and Thelma Thompson put on the first Mammoth Lakes Jazz Jubilee.

On behalf of the entire community of Mammoth Lakes, we want to thank-you for your patronage and support that has helped to create the growth of the Mammoth Lakes Jazz Jubilee!

Thanks for coming.

Jazzinly Yours,
Ken Coulter/Flossie Duff
Co-Directors,

Joyfilled Music!

Any real jazz festival can't be a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversification of styles and types of this music in as festive and pleasant surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper. It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential to know things about music and about the musicians. The music is enough by itself; so is the setting, so too are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year. **MLJJ**

Jazzy T-Shirts

May Be Your Ticket to a 27" TV, a Maui Condo, a CD Boom Box or American Airlines Tickets — "Something Special in the Air"

The Mammoth Lakes Jazz Jubilee '96 may hold your lucky ticket to many great prizes, if you pick up your **Jazzy T-shirt** ticket before July 14. The Jazzy T-shirt has generated excitement and prizes since early June, with gift certificates and merchandise from local merchants being given away each Sunday.

Come the festival's final hours, each entrant will be tossed back into the hat for the Grand Prize drawing of two tickets on American Airlines to anywhere in the continental United States; or the First Prize of a Sony Trinitron 27" picture within a picture TV. Other top prizes include a CD Boom Box and a Maui condo vacation.

You can't win if you don't play, so be sure to buy *your* Jazzy T-shirt at the Woods Site T-shirt booth. Fill in the attached entry card and hand it to the Jubilee officials in the booth.

Even if your number is not called for the Grand Prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. ***MLJJ***

Special Needs

In an effort to meet all of our guests' needs, this year we have added several facilities for the physically challenged. At the Yard Site (which is partially paved), there will be a toilet equipped for the handicapped. The Bear Pit and Grumpy's sites provide paved walkways for wheelchair access as well.

Several of the parking areas throughout the Jubilee will provide parking spots for the handicapped. *Please note:* the Canyon Site, the Woods Site and the Church Site all have sawdust surfaces which may make it more difficult for some handicapped guests.

A very special feature will be available at the Canyon Site for weary guests — a massage chair with a professional masseuse! Stop in for a quick back rub or foot massage. Be sure to sign up for this 10 minute treat.

And cyclists needs are also being addressed this year. Look for bike racks at many of the sites. Be sure to bring your own locking devices.

Altitude & Alcohol

Take It Easy...

For those of you unfamiliar with the altitude here in Mammoth Lakes — take it easy! At 8,000 feet, you and your body will react to things differently. Specifically, be careful when drinking alcohol!

Consuming two beers or two mixed drinks at a high altitude will effect you very differently than at sea level. Drink plenty of water to avoid excessive dehydration and should you become unable to drive, take advantage of the free shuttle bus which services Main Street and Old Mammoth Road. If you live outside the shuttle route, contact a site manager who will find you a ride home. Safety always comes first!

Also, should a minor approach you to buy them alcohol, please refrain from doing so and report the incident to a Jubilee official.

Sales of Tapes, Records, CD's, Videos & Band Souvenirs

The main tape/record/CD sales booth will be located at the Woods Site. Bands will also be selling their own records, tapes, etc., following each of their performances.

If you like what you hear, be sure to take a fine, pre-recorded copy home with you! MLJJ

Special Events

A *free* four-hour show at the Woods and a three-hour show at the Bear Pit — what a great way to start off a fabulous weekend of jazz!

That's what will be happening from 3-7 p.m. on **Thursday**, July 11, at the Woods Site and 3:30-6:30 p.m. at the Bear Pit. There will be plenty of food and drink available for purchase. Several of the featured bands are being showcased to give the audience a taste of the type of event the *Jazz Jubilee* really is — family fun for all ages.

Two more *free* performances will be held at two different sites later that evening beginning at 8:30 p.m. One is upstairs in Whiskey Creek by **Tom Hook** and **The Black Dogs**. The other is at Grumpy's with the **Blue Street Jazz Band**. Audiences can be sure that both bands will rock the joints. (Again, these are just some of many free — no badge required —performances.)

You *will* need a badge to get in the Friday through Sunday performances.

As in last year's *Jubilee* — A *Pianorama* and *Banjorama* will be two of the many special events taking place throughout the festival.

The *Banjorama* is scheduled for **Saturday**, July 13, at Nevados and the Matterhorn restaurants from 10 a.m. to 12:30 p.m., offering a no-host brunch. Each restaurant will open at 9 a.m. for libations.

The *Pianorama* will occur inside Whiskey Creek **Saturday** July 13 from 1-6 p.m. Excellent food will be available.

Our *Brass Blast* will continue this year, so don't miss this great horn event at the Woods Site on **Saturday**, July 13, from 5:30-6:30 p.m. Later that night, the *Big Band Bash,* includes two sets with an intermission, will feature members from several bands at the Woods Site at 9:30 p.m. Terry Myers will be the leader of the band.

A Tribute to Americana! **Sunday** morning still has plenty in store with **Igor's** *Americana Tribute* , a two set performance, from 10 a.m. -12:15 p.m. at the Woods Site.

The Black Dogs will once again be doing what they do best — entertaining a crowd — on **Sunday** evening. This time they will be performing at 8:30 p.m. at Grumpy's, for the *"Good-bye to the eighth Mammoth Lakes Jazz Jubilee"* party (no badge is required).

Gettin' 'round

The main shuttle bus will run approximately every 15 minutes. The route for that shuttle runs from the Woods Site down Main Street to the Grumpy's site and on to the RV Park. Once an hour, at approximately "on the hour", a shuttle bus will leave the Woods Site and travel down Main Street to Old Mammoth Road to the Sierra Nevada Road-Azimuth-Chateau Road loop and back to Old Mammoth Road. Then the bus will head back up to the Woods Site area.

Shuttle bus service will start one hour before the Jubilee starts and will operate until one-half hour after it closes each day. Stops will be at any Jazz bus-stop sign or wherever you raise your hand to flag it down.

All of the times are estimates, so please be patient. *MLJJ*

FIRST AID

***The First Aid Station** will be set up near the Woods Site on Minaret Road. If you have need of help, notify any Site Manager (wearing a red-and-white vest) and he or she will radio the nurses and/or paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

FOR YOUR INFORMATION

***Have a fun time** and please cooperate with the following guidelines to help make the Jubilee more enjoyable for all:

Because we are in a **HIGH FIRE-DANGER AREA,** there is **No Smoking** at all sites ***except*** in the designated areas — look for the signs.

***Be Careful** crossing all streets — use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane.

***Check the Area** around your seat before you leave so you don't forget anything.

***Lost and Found** will be located in the main ticket booth at the Woods Site.

***Recycle** cans and bottles in the marked trash containers. Proceeds will go to local high school students.

***No Seat-Saving once a set begins - not even with your seat**

cushion! We want to provide chairs for as many people as we can. After the performance has begun, Site personnel have been instructed to seat all people without seats. (If one location is filled to capacity, please try the other Sites.) **Indoor venues have limited seating. Early arrival is suggested.**

*Those using **Parasols or Umbrellas**, please be cognizant of the direction and sight-blockage it is taking.

***VCR Recorders** will be allowed in *designated areas only.* Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

***Dancing** on designated dance floors will be at the following Sites: Bear Pit, Canyon, Woods, Yard, Whiskey Creek, Church and Grumpy's. Special black-and-white floors at the Woods and Yard sites are for children to dance. Please don't dance in front of the audience — everyone wants to hear and see the bands. Even though the spirit may move you, please do not dance on the sawdust or bare dirt — it kicks up a lot of dust and is hard on the musicians, as well as others.

****Sshh!* — Please hold it down! If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.**

***Restrooms** are provided at each venue. Look for signs or ask Site personnel.

***Parking** will require "common sense." It will be limited, so please use the *free shuttle,* walk or ride a bike. The Whiskey Creek lot, the Community Center lot and the lot next to Travelodge and the old town yard lot off of Berner Street can all be used for off-street parking. There are no fees for parking, but please follow the directions given by volunteers and/or signs.

**MOST OF ALL, ENJOY!*

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, nonprofit organizations) and souvenir tables, as well as our town's restaurants and shops.

*Our old **"Drink it or Dump it"** policy has again been modified this year. Any beverage you purchase at one of our food/drink booths *may* be taken out of an *outdoor* site, transported down the street and taken into another *outdoor* site. Sorry — still no coolers, thermoses, etc. allowed. Our new beverage law is on a yearly trial basis with the ABC. Please help us with this — so we may continue this new policy in the future. Thank-you for your cooperation. Remember — this applies to our outdoor venues only. Please don't take beverages in or out of Grumpy's, Nevados, Matterhorn, Moostachio Pete's or Whiskey Creek.

***Wooden Dollars** will be used as payment for food and drinks in six *outdoor* Sites only. (All indoors sites — Whiskey Creek, Nevados and Matterhorn — will accept CASH ONLY.) Please buy only the "Dollars" you need as there is a **No- Refund Policy.**

***DO HAVE A GOOD TIME, AND WE HOPE TO SEE YOU NEXT YEAR!** *MLJJ*

Into the Great Indoors...

Several local bars and restaurants are getting into the jazz mode this weekend as proud participants of the eighth annual Mammoth Lakes Jazz Jubilee.

Sam Walker, owner of Whiskey Creek, has been a supporter and personally involved with the Jazz Jubilee since the beginning. Upstairs at Whiskey Creek on the bar stage, the music will be flowing all weekend.

On Thursday, July 11, at 8:30 p.m., **the Black Dogs** will rock the house in a "no-badge required" performance.

Down at Grumpy's tent, the **Blue Street Jazz Band** makes a special appearance at the Mammoth Lakes Jazz Jubilee with a free performance Thursday, July 11, beginning at 8:30 p.m.

Then, on Friday night, July 12, four of the Jubilee acts will perform at the Creek in regular Jubilee fashion — in other words, you must wear your Jubilee badge to get in. The tunes begin at 8:30 p.m., so get there early to hear the **High Sierra Jazz Band, Rhythm Rascals, Sorta Dixie** and **Blue Street Jazz Band**.

That same night, July 12, Grumpy's will feature the **Draga/Vax Connection, Beth Chorneau Fourtet + 1** and the **Black Dogs**. The first set begins at 8:30 p.m.

Throughout the Jazz Jubilee week, the local Jazz and Blues club Moostachio Pete's will feature **Joe Houston and the Defrosters**. The band began playing Tuesday night, July 9, and will continue each night through July 13. Music begins at 9 p.m. Tuesday through Thursday and at 9:30 p.m. Friday and Saturdays. Moostachio Pete's is located in the Sierra Center Mall. No badge required.

On Saturday morning, July 13, from 10 a.m. to 12:30 p.m., you can enjoy a Saturday Brunch at Nevados and/or at Matterhorn while listening to the **Banjorama**. Some of the country's finest banjo players will take turns in solo and duet spots, strumming up the action as the crowd gobbles a down-home brunch. Both locations will open at 9 a.m. for eye-openers.

Also on Saturday, from 1-6 p.m., **Pianorama** makes its triumphal return to Whiskey Creek. Enjoy some great solo piano work from a lineup of the Jazzdom's best "ticklers of the ivory"-including two young musicians!

Then, that night, return to the Creek for more great acts - **Temple of Folly, Beth Chorneau Fourtet + 1, Bruce Leland's Banjo Brass** and the **Black Dogs.** The first set begins at 8:30 p.m.

Uptown Lowdown, Blue Street Jazz Band and the **Big Mama Sue Trio** will entertain the crowds at Grumpy's Saturday night, beginning at 8:30 p.m. and going until well after midnight.

On Sunday, July 14 at Whiskey Creek, four more great acts will perform during their Sunday Brunch, from 10 a.m. to 2:45 p.m. You can enjoy all of the Creek's brunch delights while listening to the acoustic condiments of **Big Mama Sue, Fast Eddie and Bill Dendle, Beth Chorneau, Rhythm Rascals** and **Chicago Six**.

The Good-bye '96 Jubilee party will be the final event of this year's festival with entertainment by the **Black Dogs** at Grumpy's. No badge is required at this closing gala, however early arrivals are suggested because this portion of the Jazz Jubilee has traditionally been extremely well attended. Music begins at 8:30 p.m.

There will be a special screening of last year's USC Mammoth Lakes Jazz Jubilee video. On Thursday, July 11 from 7:30-8:30 p.m., you will be able to view this exciting video inside Grumpy's Bar. *This event is free!* Videos will be available for purchase for $25.

While the spirit of the Mammoth Lakes Jazz Jubilee began eight years ago with only one outdoor site, the many indoor venues are a must for all Jubilee go-ers. Remember — many of these indoor locations are fairly small. Arrive early so you don't get turned away at the door! And remember, your All-Jubilee badge does not guarantee you a seat at all events at all times.

DO WE HAVE SINGERS?

Do we have singers at this year's Jazz Jubilee? You bet! Some of the finest singers and entertainers in the country are here!

Several classy ladies line-up like this: **Beth Chorneau** with her own Fourtet, plus one; **Sherri Colby** of Blue Street Jazz Band; **Brady McKay** of Wooden Nickel; **Sue Kroninger** from the Big Mama Sue Trio; **Michelle Worthy** with the Temple of Folly; and **Ruby Wilson** who performs with Mammoth Lakes Jazz Jubilee newcomer, Beale Street Corner Jazz Band.

Some of the finest singers and entertainers in the country are here!

From these ladies, you will hear everything from Traditional to Gospel to Swing to Modern. But never fear, you will be entertained!

And let us not forget those talented men. Vocals that will wow you come from **Steve Yocum** of Bob Draga's All-Stars; **"Fast" Eddie Erickson** who performs with Bill Dendle; **Bobby Pickwood** gets all the girls excited with Bill Allred's Classic Jazz Band; and **most** of Igor's Jazz Cowboys, just to name a few.

Returning to the Mammoth Lakes Jazz Jubilee this year is a band who played here a few years back — Sorta Dixie. Four of these talented entertainers can sound like the Four Freshman. According to MLJJ co-director Flossie Duff, "they do a marvelous job — it is really unique."

Jubilee Supports Music Society

The **Music Society**, a non-profit organization whose sole purpose is to help bring the best in music to our community. *A total of over $10,000 has been contributed to the school music program over the last 15 years.*

This year, the Society gave scholarships to graduating seniors from the Mammoth High School music program and is helping to send other budding musicians to the Jazz Camp at the University of the Pacific; and is cooperating in a unique vocal concert on Aug. 9 of this year, during classical week.

The group is led by Dan Koenig, president. Other officers are: Elliott Thompson, vice president; Suzanne Stokes, secretary; and Thelma Thompson, treasurer.

Membership applications and information will be available at the Music Society's sales booth at the Mammoth Lakes Jazz Jubilee. Hats, pins and seat cushions may be purchased at this booth as well. *MLJJ*

USC Film School Returns

The USC Graduate School of Cinematography and Television will return for a third year to make a documentary film of the **Mammoth Lakes Jazz Jubilee**. These students are taking this course to satisfy requirements for their Masters or Doctorate degrees.

Although based on the Jubilee and how a small town puts on a major event, the film will also feature the beautiful setting and surrounding sights of Mammoth Lakes. Professor Jack Oswald is in charge of the production and will be happy to answer any of your questions. You may also be one of the chosen few to be interviewed. We ask that you please cooperate and tell them why you love Mammoth.

Don't forget to see the last two year's results at the T-Shirt Booth. There will also be a screening at Grumpy's July 11 from 7:30-8:30 p.m.

Videos from the 1994 and 1995 Mammoth Lakes Jazz Jubilees will be on sale at the T-Shirt Booth for $25 each. Also, videos may be purchased at the Grumpy's screening. Proceeds from video sales go to the Jazz Camp.

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee and the Music Society of the Eastern Sierra send two local students to Jazz Camp.

Part of the funding was made possible by the jacket raffles we've held at each of the last three years' events. "Racy," one of our souvenir vendors at the Woods Site, has donated a satin jacket each year, and we've sold tickets for $1 each. Look for a chance this year to once again contribute to this scholarship fund, and possibly win a beautiful jacket. *MLJJ*

2nd Annual Mammoth Lakes Jazz Jubilee Camp

The second ever Mammoth Lakes Jazz Jubilee Camp is well underway for students in junior high school and high school (ages 12-17). The camp, which began July 7 and runs through July 14, is a unique opportunity for young musicians who want to learn all elements of jazz; and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument - but it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience—not just classroom experience. And, to top it off, this jazz camp gives the young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee at several sites.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator; and he is joined by Thom Mason, head of Jazz Studies at USC. Several other instructors are expected to join in the experience, including Flip Oakes, "Fast" Eddie Erickson, Dan Zeilinger and George Vest.

The camp has drawn students from all over the state who are anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee. Check the Youth Band schedule in the back of this program for the times and venues where you can catch this exciting addition to the fun!

Steve Kim	Bass
Gary Marcus	Keyboards
Rick Dior	Drums
Jim Brock	Percussion

Beth Chorneau began singing in Southern California, where she grew up singing and learning dozens of jazz standards while listening to her father's — Ken Coulter — Sarah Vaughan and Ella Fitzgerald records. She branched out, singing in rock 'n' roll bands and even had a short stint in a country band.

For the last ten years, however, Beth has dedicated her talents exclusively to jazz and has become the premiere jazz vocalist in her hometown of Charlotte, NC.

The band, which has previously performed in Mammoth's Jubilee as a trio, a fourtet, and now as the fourtet plus one with the addition of world renown percussionist Jim Brock, Beth's Husband. Gary Marcus is a master pianist with a background that includes several years at Disney World and many other East Coast name engagements. Steve Kim is the most sought-after bassist in Seattle and joins the group for the second time in Mammoth. Rick Dior, Charlotte's hottest drummer is here for his third stint. The group has been awarded the honor of being "Best Jazz Band in Charlotte" and Beth the "Top Female Vocalist in Charlotte".

Jim Collier ..... Piano
Tim Goodwin ..... Bass

The **Beale Street Corner Jazz Band** is a group with over three hundred years of musical experience. Specializing in an eclectic mix of classic jazz styles blended with a large helping of individuality, this group will please dancers and listeners alike with their fresh and daring approach to old favorites.

The familiar faces of the rhythm section have for years anchored the steady beat of the Hot Cotton Jazz Band, a past favorite on the Traditional Jazz Circuit.

The band now includes the very talented Ruby Wilson, who has performed not only with Hot Cotton, but has more recently traveled to Europe with the Night Blooming Jazzmen and to Asia with the Climax Jazz Band.

This is Beale Street's first time playing in Mammoth. Go see them and give them a warm Mammoth welcome.

Sue, with her Big Mama voice, beautiful dresses, great personality and trusty washboard has entertained the world over.

Jim probably plays more instruments than any other player here and Dan has been the tuba section of many bands at many festivals - once here with the Hollywood Jazz Cats.

They promise a fun show and their schedule will be different in that not only will they play at the Jubilee Sites, but you might run into them around town at a restaurant or on the street.

While in New Orleans, several members of the band performed with popular Dixieland great Banu Gibson.

Chicago Six is a swinging group of musicians which as been together for over 11 years. They first started playing as a pickup band to fill in on Friday Dixie-style nights at a north coast music club.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the state's most respected swing-Dixie bands. Many of the talented members are veterans of some of the most well-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett and Tex Beneke.

Bob Draga ..... Co-Leader, Clarinet
Mike Vax ..... Co-Leader, Trumpet

Spike Bamsey ..... Piano
Jake Hanna ..... Drums
Jay Hungerford ..... Bass

Clarinet playing super model **Bob Draga** and shy, mild mannered Mike Vax, trumpeter extrordinaire, decided to put together an all-star band, and boy have they!

With Hall of Famer Jake Hanna on drums, New Orleans' Steve Yocum on trombone and Spike Bamsey, West Florida's premier jazz piano man, they've got it all. Rounding out the group is Jay Hungerford from St. Louis on bass. Jay is fairly new to the West Coast, but you will see why they say "he's killer."

Howard Miyata ..... Trombone
Charlie Castro ..... Drums
Stan Huddleston ..... Banjo
Bruce Huddleston ..... Piano

These six talented and entertaining musicians create the very popular **High Sierra Jazz Band**, which has performed at festivals from San Diego to Sacramento and from Mississippi to Illinois and Europe, just to name a few.

The band is famous for their high energy, audience-involvement-style performances concentrating on Western jazz. Their signature Jelly Roll Morton tunes help bring an era, as well as its music, back to life.

They always seem to have an abundant surplus of high spirits, along with the kind of honest musicianship that people instantly respond to. The hard-driving, non-stop force of their performance is as bright and invigorating as the High Sierra skies.

Be sure to catch this group of entertaining mountain men. This year, they will be doing a special Gospel set on Sunday.

Fast Eddie & Bill Dendle

Anywhere, USA

Fast Eddie Erickson ..... Co-Leader, Banjo, Guitar, Cornet
Bill Dendle ..... Co-Leader, Banjo, Trombone

Fast Eddie & Bill Dendle are both virtuoso banjoists; they both play guitar, sing and entertain. They first met and performed together in 1969 in Monterey at Capone's Warehouse, but each went their separate ways from there.

Fast Eddie went on to Disneyland and Disney World, later playing the Dixieland Jazz circuit with the Abalone Stompers Jazz Band. He has been featured at banjo shows, conventions, concerts and more throughout the years.

Bill Dendle began playing banjo in 1963 and by 1967 was appearing at Mickie Finn's in San Diego. As the leader of the South Market Street Jazz Band, Bill played several years in Mammoth. During the late 1960's and 70's, he and Eddie performed on and off together for nine years.

Now Fast Eddie and Bill Dendle are together again. In addition to playing banjo and guitar, Bill plays trombone and Eddie blows cornet. Their long-time friendship, love and respect for each other are evident in their performances, as is the fun and humor they share.

They will also be performing at some of the local restaurants.

Tempe, Arizona

Igor Glenn	Leader, Bass
Garry Schauer	Trumpet
Kevin Krull	Trombone
Tim Todd	Fiddle
Gaylan Taylor	Guitar
Steve Clark	Drums
John Cieslak	Reeds, Trumpet

Famous for their classic Western Swing style, with the addition of traditional New Orleans horns, **Igor's Jazz Cowboys** are once again performing at the Mammoth Lakes Jazz Jubilee. Leader-showman Igor Glenn has revived the almost-lost art of "Slap Bass" and sings in three octaves with high-energy American roots music and new originals. His original songs are both inventive and entertaining.

The band has performed in a PBS television special featuring the group, and their home-state governor proclaimed them "Arizona's Ambassadors of Good Will." Recognized by the Parliament in Canada, Igor's Jazz Cowboys have also performed throughout the U.S. and Mexico, and for the U.S. State Department.

Bruce Leland's Banjo Brass

Cave Creek, Arizona

Bruce Leland	Leader, Banjo
Dave "Doc" Chaney	Trumpet
Rich Klein	Reeds
Allen Wiley	Drums
Hilber Blair	Bass
Nina Leland	Vocals

Right out of the cactus of the hills of Arizona comes **Bruce Leland's Banjo Brass**. Not many of you have seen this fine group unless you have been to Leland's Restaurant in Cave Creek. They did, however, make a huge impact on last year's Mammoth Lakes Jazz Jubilee, so they are back to entertain us again!

Leland and his gang don't travel much because they play four nights a week at the restaurant. But we've lucked out, because they have made an exception for the second year in a row and are returning to Mammoth to cool down from that Arizona Heat. The music this band plays is hot Dixieland led by Bruce's great plectrum banjo instead of a piano. It's a little different and you will love it!

Night Blooming Jazzmen

Claremont, California

Chet Jaeger	Leader, Cornet
George Olson	Bass
Dick Doner	Trombone
Paul Reid	Piano
Thom Mason	Reeds
Lance MacLean	Banjo, Guitar
Larry Kostka	Drums

The **Night Blooming Jazzmen** return to Mammoth with their fresh-sounding jazz and entertaining style. Those familiar with this funny group may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an *ad hoc* band representing the influential Southern California club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, but they have been performing at the Sacramento Festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan MC, and the whole band enters in on the hilarious and spontaneous shenanigans.

The Bands

Rhythm Rascals

Orlando, Florida

Ralf Reynolds ..... Leader, Washboard
John Reynolds ..... Guitar, Kazoo
Jim Buchmann ..... Saxophone, Clarinet
Jamie Snyder ..... Clarinet
Lee Floyd ..... Banjo
Hank Greve ..... Tuba

This is the Rhythm Rascals first outing to the Mammoth Lakes Jazz Jubilee. Hailing from Orlando, Florida, the group brings to life the era of the washboard bands with their strong rhythmic pulse, high spirit, and rollicking good humor. Band leader Ralf Reynolds is a three time winner of the Gong Show, and has a varied background of musician, teacher, author, collector and historian. Ralf's younger brother John is a superb guitar, banjo and kazoo player while Jim Buchmann has been a festival mainstay for years as well as a recording artist. Jamie Snyder's 20 year music career has covered ground in New Orleans and central Florida.

Lee Floyd on banjo is a true master a la Eddie Peabody. Hailing from Ohio, his professional career stretches from the New Christy Minstrels to all three Rosie O'Grady's clubs. And on Tuba is Hank Greve, an experienced all-around musician who has graced bands and symphony orchestras from New Orleans to Disney World.

Sorta Dixie

Las Vegas, Nevada

Jim Fitzgerald ..... Leader, Trombone
George Mosse ..... Reeds
George Pollak ..... Piano
Bruce Harper ..... Drums
Ty Lemley ..... Bass
Greg Neer ..... Trumpet

When the music of old New Orleans meets up with the spirit of old Vegas, a lot of folks find the result sorta irresistible.

The **Sorta Dixie Jazz Band** plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that they aren't just traditional Dixieland, but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its song book and ample opportunity to play them. For eight years they have been house band at the locals-oriented Gold Coast Hotel Casino on West Flamingo Road.

Mammoth welcomes Sorta Dixie back to its Jazz Jubilee.

Uptown Lowdown

Bellevue, Washington

Bert Barr ..... Leader, Cornet
Paul Woltz ..... Bass Sax
John Goodrich ..... Reeds
Peter Meijers ..... Reeds
Al LaTourette ..... Banjo
Dan Marcus ..... Tuba
Rose Marie Barr ..... Piano
Andy Hall ..... Trombone

Uptown Lowdown was formed in 1971 shortly after founder Bert Barr graduated from the University of Oregon and settled into Seattle. Having grown up in Vallejo, California, Bert was strongly influenced as a teenager by the many visits to Earthquake McGoon's and Turk Murphy's infectious style of music.

The first band featured a three-man front line, the traditional cornet, trombone and reeds. But like most bands, Uptown Lowdown evolved and changed through the years. By the mid 1980's, the band began to settle into a steady, viable, dynamic group of musicians, each inputting his own personality and talent. At one point, Uptown Lowdown was a two-cornet, two-reeds, two-trombone playing band.

Their unique style continues to evolve, with a current Seattle Style of Traditional Jazz.

They have toured Japan and Europe as well as played all over the U.S., and on cruises.

The band's name came from the song "Doin' the Uptown Lowdown."
